WELL MANAGED.-A young bachelor of this city recently missed a pair of new blankets from his bed, and at once suspi cloned a colored man who waited on hir bachelor, for it is well known that bache fors are always cold, remarked quietly for? I don't want them washed, and I lik

odical Female College, in the town of to have caught my death of cold last night lorence, Ala., on the 13th of June. The | Go right straight and bring them back Cuffy hesitated a moment, and then wen out, soon returning with the blankets. DECORATION DAY .- The beautiful cere nony of decorating the graves of our sol llers with the sweetest offerings of spring came off, as announced, on Sunday last and was attended by an immense crowd The touching ceremonies of the occasio opened with an eloquent prayer by Rev. J . B. Mays. Judge Thomas Brewn, Memphis, was then Introduced, and delivered a short but chaste address; after which the graves were handsomely decorated by the ladies. After the decoration the as-

embly was dismissed with prayer by Rev. John A. Harrison, D. D. Everything pas ed off orderly and with proper solemnity The deepest interest was manife-ted by al furing the exercises. RAILBOAD EXTENSION.—The survey for friends and customers from this date in the the extension of the Miss. Central R. I from this city to Cairo, was completed o Tennessee money, county and city war- Tuesday. The road will pass through Mirants, and U. S. currency taken in ex- lan, leave Trenton about II miles to the West, and Dresden about ten miles to the East, crossing the Paducah road at the

State line, and thence to Cairo; running, afer passing Clifton, Ky., parallel with, and within about eight miles of the Mobile and city to Milan, and Capt. Mann with his corpse will proceed to Milan next week for he purpose of locating the road from that point North. We learn that the contract or grading will be let out on the 1st of Ju ly, and that the work of construction will be pushed with unexampled vigor. NEW MODE OF COTTON CULTURE.-This

pre-eminently un age of improvement in griculture as well as in mechanics. As an vidence of the spirit of progress pervading the agricultural world, we give below a new mode of cotton culture: A party of darkies were standing together on Saturday iscussing crop prospects. One complain d that the grass grew unusually fast, and hreatened to seriously damage the cotton. An old darkey then spoke, saying: "boys you don't manage right. Don't you know at when you cuts de grass down now de ains will bring it up right straight? Now I'll tell you how to do. Soon as de cotton up good, chop It out to a stand; den lis let de grass grow until it gits as high, as if Begins Monday, July 1st; ends Friday, can and dies. Den cut de grass down and August 2ld. Pupils of both sexes taught. It won't trouble you any more. Dis will line that they have not got in abundance. save a power of work and worry." This forms, \$5, \$4, \$5 and \$6 per month. Many advice was delivered and received with
